CORRESPONDENCE / REQUEST FOR WITHDRAWAL
CHANGE OF ADDRESS

Dear Commissioner:

This correspondence is further to my Request for Withdrawal as Attorney or Agent and Change of Correspondence Address dated July 14, 2004, a copy of which is attached as Exhibit 1. As noted in my Request, the reason for my withdrawal as attorney of record is that I ceased practicing law and entered vet school.

At the time of my Request there were no outstanding office actions and no deadlines were due. However, I failed to communicate to the office that I had also communicated my reasons for withdrawing as attorney to the inventor, Mr. Albright, and supplied him with a complete copy of his file. I also instructed him to obtain other counsel. See Exhibits 2 and 3. Even if an Office Action is now pending, any deadline for responding to such Office Action is beyond 30 days. The undersigned respectfully requests that the Request to Withdraw be granted.

Finally, I filed this case on a pro bono basis while working in-house at Microban Products Company of Huntersville, NC. All correspondence for this file was directed to me at that location. Since I am no longer an employee of Microban Products Company, I

Re: File 1111
U.S. Patent Application 10/791,553
DEVICE FOR DISPENSING FLUIDS
AND RECOVERING FLUID RUNOFF

Dear Mr. Albright:

I am sorry to inform you that I am leaving the practice of law and must withdraw as your patent counsel. I have the opportunity to reclaim a dream I thought I had lost many years ago. I will start veterinary school next month.

One of the few pleasures I had as an attorney was providing pro-bono services for deserving clients. It allowed me the opportunity to actually feel like I was helping someone. I regret that I must leave your project before it is completed.

Enclosed is a complete copy of your file which includes a copy of my petition to withdraw as counsel. I intend to convince my successor to take over prosecution of this case on a pro-bono basis. If my successor agrees to take this case he (or she) will contact you. Of course, you are free to use other counsel as you see fit. I have directed the Patent Office to forward all future correspondence to you in the event there is a gap between my leaving and the naming of my successor.

Sincerely,

Stan Baker

Re: File 1111
U.S. Patent Application 10/791,553
DEVICE FOR DISPENSING FLUIDS
AND RECOVERING FLUID RUNOFF

Dear Mr. Albright:

Further to my letter of July 14, 2004, I regret to inform you that my replacement is a member of a law firm that has a policy of not accepting pro bono cases. In short, this means that you should definitely seek other counsel for this matter. Once again, I apologize for not seeing this project through to the finish but my upcoming veterinary studies will not allow me the time to engage in the practice of law.

I wish you luck.

Sincerely,

Stan Baker
